CONTENTS

Part 1, March, 1961

	Page
Editorial	4
Proceedings of the 12th Biennial Conference of the Tea Research Institute of Ceylon (Programme)	5
Introduction by the Chairman of the Board	6
Opening Address by the Minister of Agriculture, Land, Irrigation and Power	7
GUNN, D. L.—Review of recent events and prospects	11
TOLHURST, J. A. H.—Organic matter in Ceylon tea soils ...	16
JUDENKO, E.—Control of Shot-hole Borer (*Xyleborus fornicatus* Eichh.) experiments in progress	23
CRANHAM, J. E.—The natural balance of pests and parasites on Ceylon tea, especially Tea Tortrix and Macrocentrus	26
ELIAS, A. L.—Nursery Management	42
MULDER, D.—A preliminary investigation of maintenance-leaf fall in the low-country	51
Minutes of the meeting of the Board held on 2nd December, 1960 ...	55

Part 2, June, 1961

Editorial	62
JOACHIM, A. W. R.—The shade-tree question and green manures ...	63
VISSER, T.—Interplanting in tea: 1—Effects of shade trees, weeds and bush crops	69
MULDER, D.—How to economise on blister-blight control: the decision to spray based on sunshine records	88
ELIAS, A. L.—How to economise on blister-blight control: the use of mist-blowers in conjunction with sunshine recorders	91
Planters questions	95
ROE, D.—Wedge-pruning	100
ZAIR, J. H.—A useful ground cover for clearings	103
Minutes of the meeting of the Board held on 3rd March, 1961 ...	105

PART 3, SEPTEMBER, 1961

Editorial 112

VISSER, T.—Interplanting in tea: 2—The interaction of shade with fertiliser applications 113

HUTCHINSON, M. T.—Developments in the control of the Meadow Nematode 129

JOACHIM, A. W. R.—Responses to manuring in various low-country conditions 133

MULDER, D.—Organic matter and parasitic fungi 140

MULDER, D.—A bacterial disease of Guatemala Grass 143

KEHL, F. H.—Do not kill your mother bushes 145

TOLHURST, J. A. H.—Manuring mature tea: the new T. 700 series; 1961 148

TOLHURST, J. A. H.—Manuring young tea: 1961 152

VISSER, T.—Potato cultivation on estates 155

EASTEAL, P. R. U.—Planting density and pruning 156

BURNET, C. R.—Clonal new clearings: the first prune 159

Minutes of the meeting of the Board held on 2nd June, 1961 ... 160

PART 4, DECEMBER, 1961

Editorial 168

CRANHAM, J. E.—The chemical control of Shot-hole Borer (*Xyleborus fornicatus* Eichh.) on tea 171

JUDENKO, E.—Can Shot-hole Borer of tea (*Xyleborus fornicatus* Eichh.) infest and grow in shade trees of tea? 185

ROBERTS, E. A. H.—The nature of the phenolic oxidation products in manufactured black tea 190

CRANHAM, J. E.—Report on a working party on mist-blowers, 14th April, 1961 201

KEHL, F. H. & VISSER, T.—Polythene bags versus bamboo supply baskets 213

VISSER, T. & KEHL, F. H.—Manuring of nurseries: 1. Experiments on the frequency and methods of application of inorganic and organic mixtures 216

TOLHURST, J. A. H. & VISSER, T.—Manuring of nurseries: 2. T.R.I. nursery manure: a completely soluble inorganic mixture ... 220

MULDER, D.—A revival of tea cider 222

JUDENKO, E.—Assessment of crop loss due to a pest 224

Minutes of the meeting of the Board held on 1st September, 1961 ... 225
